EDITORIAL NOTE.

The following list of foreigners who took the oath of allegiance to the crown of Great Britain and the Province of Pennsylvania, from the year 1727 to 1775, with those to the State from the close of the Revolution, have been in part printed. The originals in the possession of the Commonwealth having been badly mutilated by searchers for untold fortunes, it has been deemed advisable to publish the entire record under the authority of the State and the lists have been carefully compared and collated. To make the same of permanent value a complete index of surnames is given. In some few cases, the entire list of ship's passengers is preserved with the ages of all. Orginally these were furnished the proper authorities, but unfortunately one by one they have been abstracted.

Owing to the large influx of foreginers, especially German and Swiss, it was deemed advisable to compel all to take the oath of allegance, which was at the first as follows:

I, A B, do solemnly & sincerly promise & declare that I will be true & faithfull to King George the Second and do solemnly, sincerly and truly Profess Testifie and Declare, that I do from my Heart abhor, detest & renounce as impious & heretical that wicked Doctrine & Position that Princes Excommunicated or deprived by the Pope or any authority of the See of Rome may be deposed or murthered by their subjects or any other whatlate, State, or Potentate hath or ought to have any power, soever. And I do declare that no foreign Prince, Person, Pre-Jurisdiction, Superiority, Pre-eminence, or Authority Ecclesiastical or Spiritual within the Realm of Great Britain or the Dominions thereunto belonging.

I. A. B., do solemnly sincerly and truly acknowledge profess testify & declare that King George the Second is lawful & rightful King of the Realm of Great Britain & of all others his Dominions & Countries thereunto belonging, and I do solemnly & sincerly declare that I do believe the Person pretending to be Prince of Wales during the Life of the late King James, & since his Decease pretending to be taken upon himself the Stile and Title of King of England by the Name of James the Third, or of Scotland by the Name of James the Eighth or the Stile and title of King of Great Britain hath not any right or title whatsoever to the Crown of the Realm of Great Britain, nor any

other the Dominions thereunto belonging. And I do renounce & refuse any Allegiance or obedience to him & do solemnly promise, that I will be true and faithful, & bear true Allegiance to King George the Second & to him will be faithfull against all traitorous Conspiracies & attempts whatsoever which shall be made against his Person, Crown & Dignity, & I will doe my best Endeavours to disclose & make known to King George the Second & his Successors all Treasons and traiterous Conspiracies which I shall know to be made against him or any of them. And I will be true and faithfull to the succession of the Crown against him the said James & all other Persons whatsoever as the same is & stands settled by An Act Entitled An Act declaring the Rights & Liberties of the Subject, & settling the Succession of the Crown to the late Queen Anne & the Heirs of her Body being Protestants, and as the same by one other Act Entitled An Act for the further Limitation of the Crown & better securing the Rights & Liberties of the Subject is & stands Settled & Entailed after the Decease of the said late Queen, & for Default of Issue of the said late Queen to the late Princess Sophia Electoress & Duchess Dowager at Hanover the Heirs of Her Body being Protestants and all these things I do plainly & sincerly acknowledge promise & declare, according to these express words by me spoken, & according to the plain & common sense and understanding of the same Words, without any Equivocation, mental Evasion or Secret Reservation whatsoever. And I do make this Recognition, Acknowledgement, Renunciation & Promise heartily willingly and truly.

All males over sixteen years of age were obliged to take this oath and declaration, as soon after their arrival as possible—being marched to the Court House, although in a number of instances they were qualified at the official residence of the magistrate.

The Commissioners of Relief to Gov. Mifflin.

To Thomas Mifflin, *Governor of the Commonwealth of Pennsylvania:*

The Commissioners appointed by the Act of the Legislature, dated the 13th day of January, 1796 to afford relief to certain distressed French Emigrants,

Report that they have endeavored to fulfill the benevolent views of the Legislature, by personally distributing the sum of fifteen hundred Dollars granted for that purpose, in money. wood, cloathing, and other necessaries, to about two hundred and twenty necessitous French People, as by the annexed Schedule; many of whom were old, and some of them lame, blind, sick, or otherwise unable to support themselves.

It was a very seasonable relief to them during the last winter, and spring, for which many of them have expressed their gratitude, on leaving the Continent, to return to their own country. Others remain, endeavoring to habituate themselves to our language, customs, and modes of life; of whom a number will we hope in future be able to gain an honest livelihood, with but little assistance; yet some worthy Individuals will probably continue entirely dependant upon the aid of charity.

Signed in Philadelphia the 5th day of November, 1796.

SAMUEL P. GRIFFITTS,
ROB. RALSTON,
GODFREY HAGA,
JOSEPH PANSOM,
JOSEPH LOWNES.

An Account of Money, Food and Clothing, distributed Amongst the Necessitous French Emigrants by the Commissioners named in the Act of the Legislature of Pennsylvania, passed the 13th of January, 1796, granting Fifteen Hundred Dollars for that Purpose.
